

It Starts with YOU.

We asked young people to express their thoughts about family violence through art and writing. This is what they had to say:

#BREAKTHE SILENCE

Artwork by Chi

Verbal abuse and put down Humiliation Hitting or slapping
Controlling your money Threatening or hurting pets Isolating you from others
Sexual abuse Monitoring your calls Accusations and starting arguments

Any form of family violence is NOT OKAY.

Everyone has the right to feel safe with their partners, family or extended family.
